Dear friends of Saints Peter Paul and Philomena,

Next Sunday we celebrate the feast of Saint Philomena, Patroness of our shrine. Her life remains mysterious, but private revelations, which have been approved by Holy Mother Church, provide us with some details. As a young girl who had promised her soul to Our Lord, she was besought by the Emperor Diocletian. Having refused him, he had her whipped, thrown into the Tiber and shot with arrows, but each time she was preserved by God, before finally being allowed to come to Him. It is said that “Honoring Saint Philomena we proclaim the power of God in the strength of His Martyrs, and His Infinite Goodness in the favors He concedes to the prayers of His Saints.” A great example of purity, simplicity and untiring love, we can say, “Saint Philomena, pray for us!”
