Dear friends of Saints Peter Paul and Philomena,

On Thursday we celebrate the great feast of the Assumption of Our Blessed Lady. At the end of her earthly life, Our Lady was assumed body and soul into heaven. This was defined solemnly by the Venerable Pope Pius XII in *Munificentissimus Deus* in 1950, and is a Dogma of our faith. It is certain that she did not have to die, not being touched by original sin, unlike the rest of us, but it is commonly believed that nonetheless she did die, wishing to unite herself more intimately to the Passion and Death of her Divine Son. She was then immediately raised to the glory of heaven. Her death is therefore a model for all of us, and we should ask her intercession that we may die in a state of grace and receive the sacraments of Holy Mother Church. “Queen assumed into heaven, pray for us!”

Abbé Scott Tanner
