Dear friends of Saints Peter Paul and Philomena,

This Saturday, we celebrate the great Feast of Ss Peter and Paul, Patrons of our Shrine and protectors of the Catholic Church. We have a special opportunity to recommend our Pope Francis and the whole church to their supernatural protection. They are still now a living witness of faithfulness to the Lord, giving their human lives to earn a new and Eternal Life in Heaven. Through their Faith, we glimpse their Love of God and their Hope in His Promises. What a deep consolation to contemplate them in these difficult moments for the Church and us Catholics. They are even now a living witness for each of us. Persecution against the Faith; against human life; against the Church cannot alter our link with God. He conquered the world by pouring His Precious Blood for love of us: these two saints, the two pillars of the Church, imitated Our Lord by their martyrdom. We can follow their example, offering our own life every day.

Ss Peter and Paul, pray for us and protect our Church !
