Dear friends of Saints Peter and Paul and Philomena,

In a few days we will celebrate the favourite mystery of Saint Francis de Sales, Our Lord's birth. This historical event is the supreme proof of God's love because it leads "naturally" this child to His Passion and Cross. This historical event opens therefore the world to another kind of relationship with its Creator: God dwells the human nature in the highest unity ever conceived and this unity is the model of our personal spiritual life. The Divinity made flesh in this little Child still now desires to establish its "home" in our human flesh, through our soul.

Are we ready to fulfil this high will of God? We know that we cannot really prepare ourselves on our own for this supernatural vocation, but His grace and help given by the sacraments (particularly confession and communion) are necessary. We only need to ask them for us and receive them with joy. It will then be "Peace on Earth" – that is, first peace in our soul because He will be with us and we will stay in His Divine Love.

Blessed Christmastide !

Canon Montjean
