#### INTRODUCTION TO THE LENTEN LITURGY – from *The Liturgical Year*, by Dom Prosper Gueranger, o.s.b.

We must say a few words on the holy rites which are observed during Lent: The suspension of the *Alleluia*; the purple vestments; the laying aside the deacon's dalmatic and the subdeacon's tunic; the omission of the two joyful canticles, the *Gloria in excelsis* and the *Te Deum*; the substitution of the mournful *Tract* for the *Alleluia* verse in the Mass; the *Benedicamus Domino* instead of the *Ite, Missa est*; the additional Prayer said over the people after the Post-communion Collects on ferial days; saying Vespers before mid-day, excepting on the Sundays. We have only now to mention, in addition, the genuflections prescribed for the conclusion of all the Hours of the Divine Office on Ferias, and the rubric which bids the Choir to kneel, on those same days, during the whole Canon of the Mass.
